

Online Ordering System Letter

Today you had your portraits taken. We would like to take this opportunity to thank you for selecting Sullivans as your Portrait Studio. We hope that we met your expectations and that you had a great time.

We would like to send this information and instruction letter with you so that you will know what to expect regarding your online ordering.

Your images will be posted on our online ordering system in approximately two working days or less.

THEY WILL REMAIN ONLINE FOR TWO WEEKS ONLY.

You can order them online, mail, via phone or you may come to the studio to place your order. Our studio computer facility will be available for those who do not have access to a computer and/or the Internet. If you need to view your images before or during ordering please arrive here no later than 4:30 pm.

Payment can be made by check, money order or credit card. If you choose to use your credit card, you may do so with the confidence that we use a secure site system. **Also, please note that when paying with a check, payment of the deposit must be received before we will place the order. Orders will not be placed without a paid deposit of 50%.**

If you are not ordering from your images within the two week posted time frame, please write down the image numbers and a brief description of each image so that when you choose to order you will have a record of what you want. **Images will not be re-posted without a \$25 charge. We will not be able to show images on the computer after the two-week time limit without re-posting. If you do not select a yearbook photograph one will be selected for you.**
